AGRA GREYHOUND RACING RANKINGS FOR SEPTEMBER 2006

Not many changes at the top of this months rankings but a number of greyhounds are in position to challenge the leaders with plenty of Group racing on offer over the next few months. Dual leaders are still Mid City Mandy and Spaulding but high ranked performers Quidame, Miss Brook, Brother Knows or Vapour Whirl could move quickly if races go their way. Listed are the top 100 greyhounds ranked from positions 1 to 96 by end September. At this stage of the year 386 greyhounds have scored points from the 73 group races so far decided in 2006.
