## AGRA GREYHOUND RACING RANKINGS FOR OCTOBER 2006

Mid City Mandy leads in her own right at the end of October after another two group placings in October, she has scored in no less than nine group finals from January to November. Quidame, Spaulding, Miss Brook and Superman make up the top five. The last eight weeks of group racing bring a host of opportunities for the top liners to win valuable points and maintain their ranking into the New Year. Two of those that can't score points are the injured Miss Brook and the retired Fenceline. Listed are the top 100 greyhounds ranked from positions 1 to 99 by end October. At this stage of the year 404 greyhounds have scored points from the 79 group races so far decided in 2006.
